GEORGE'S BAR

GEORGE'S BAR

Our bar is named after George Daktylides, who placed the first stone to the Myconian Collection in 1979 and remained at the helm until he retired as CEO in 2010. Though he handed over the hospitality empire to his four sons, he remains actively involved in all operations and you may spot him here on occasion with his wife Eleftheria, whom he credits with his success. You may also find his namesake George, son of the Ambassador's MD, teasing his grandfather with the claim that the bar is in fact named after him!
